ANTIOCH, ILLINOIS, THURSDAY, MARCH 19, 1964

VOL. LXXVIII, NUMBER 38

THE LADIES OF ANTIOCH gathered at the home of Mrs. W. C. Percy last Tuesday morning to meet the wife and mother of Charles Percy, candidate for governor. Left to right, Mrs. W. C. Percy, Mrs. Charles Percy, Mrs. Elizabeth Percy and the Rev. D. M. Cobb.

## Local Ladies Meet Percy's Wife And Mother At Coffee

Mrs. Charles Percy, wife of the candidate for the Republican nomination as Governor of Illinois, and Mrs. Elizabeth Percy, the candidate's mother, were guests of honor at a morning coffee at the home of Mrs. W. C. Percy, 1038 Spafford St., Antioch, last Tuesday, March 10.

About 75 ladies, plus a sprinkling of men, were present to meet the wife and mother of the gubernatorial candidate. Lorraine Percy, wife of the candidate, gave a

brief sketch of Percy's life, including his meteoric rise to a high position in Bell & Howell Co.

The candidate's mother spoke mostly of Charles as a boy. "He succeeded at everything he attempted," she summed up several short anecdotes.

It had been hoped that the assembled ladies would be able to hear Mr. Percy speak via telephone and loud-speaker equipment, but the instrument failed to work properly.

## Lions To Name Athlete of Year

The Lions Club of Antioch will honor the athletes of Antioch Community High School at the 24th annual Athletic Banquet next Monday, March 23.

Gil Dodds, the "Flying Parson," will be the featured speaker of the evening.

Dodds was a track star for eighteen years. He established a world's record for the mile, broke his own record and held it for 11 years, with a time of 4:05.3. The record he had set was broken by Wes Santee.

Dodds was winner of the coveted Sullivan award, presented to the amateur athlete who had done most towards advancement of good sportsmanship during the year; the New York "Sports Writers' Trophy" for outstanding contribution to the field of sports and election to Helm's Hall of Fame in California.

Mr. Dodds has traveled extensively in connection with youth work. Much of his traveling was done in the interest of Pocket Testament League, Work of Life, Youth for Christ and branches of the military service.

Dodds is a graduate of Ashland College, Ohio. He earned a Bachelor of Divinity degree from Gordon Seminary in Boston; an M. A. in Christian Education at Wheaton College and a Master's degree in Education from Northwestern University.

Mr. Dodd is now a member

of the counseling staff at Naperville Community High School.

The banquet will start at 7 p.m. Monday. A. L. Dittman is program chairman. Jack Fields will serve as Toastmaster. The Rev. Harold I. Nelson will give the Invocation.

Tom Haviland, president of the Lions Club, will welcome the guests, and Jeff Gates, president of the "A" Club, will give the response to the Welcome.

The coaching staff of the High School will be introduced by Ward Lear, Athletic Director. Mr. Haviland will present the Lions Club trophy to the Outstanding Athlete of the Year.

## Boys Accuse Antioch Tavern Owner

James Kilimnick, owner of the Country Club House on Route 21 south of Antioch, was accused by two Wisconsin youths of selling liquor to them last Friday night. The youths made the charge after their auto crashed into a tree north of the Wisconsin-Illinois state line.

Jeff Brulport of Burlington and Clyde Baillies of Wilmet told Kenosha County sheriff's deputies that they bought three quarts of beer from Kilimnick. Kilimnick denied the accusation to Lake County deputies.

The boys appeared with their parents in the sheriff's office Monday, according to Deputy Repp, and a complaint was signed against Kilimnick. The tavern is open pending a hearing before the Liquor Commission.

## Antioch Man Admits Thefts After Arrest

James Valek, 19, of Orchard Lane, Antioch, who was picked up by Zion police last Saturday night after breaking a window at Field's Smartwear in Zion, subsequently admitted to four burglaries in the Antioch area recently.

Young Valek admitted breaking into the Loon Lake Inn at Route 21 and Grass Lake road on Feb. 17; the Texaco Service Station at Route 21 and Grass Lake road, also on February 17; Nielsen's Corner Tavern on February 22 and Frystak's Grocery on February 2.

According to Chief Deputy Norris Froelich, Young Valek is still being questioned about other burglaries, and as to whether or not he had accomplices in the burglaries. At the present time, he is charged with breaking into the Loon Lake Inn.

## Local Man Dies Suddenly Wed.

Herbert Sturm, 54, of 1021 Osmond Ave., Antioch, died suddenly, apparently of a heart attack Wednesday morning.

Mr. Sturm was in a car, being taken to the hospital, when he collapsed. The Antioch Rescue Squad was called but was unable to revive him.

He was born April 19, 1910, at Onarga, Iroquois County, Illinois. Mr. Sturm resided at Channel Lake for three years before moving to Antioch 10 years ago. He held membership in Faith Ev. Lutheran Church at Antioch.

## State And Local Politicos To Be At GOP Dinner

U. S. Representative Elmer J. Hoffman will be the guest of honor and principal speaker at the sixth annual Antioch Township Republican Spring dinner party, Saturday evening, March 28.

Club president Herbert Horton, in making the announcement, pointed to the outstanding record of public service made by Hoffman, who has devoted more than half of his living days in office. He has never been defeated in a campaign, and now, after serving the 14th district in congress for three consecutive terms, is seeking the Republican nomination for secretary of state.

Reservations already confirmed assure that a coterie of who's who in Lake County and Illinois Republican politicaldom will be present to hear Hoffman's sage remarks.

Led by Sheriff Charles E. Larson and his chief deputy, Norris Froelich, the list of county notables includes Judges Glenn Seidenfeld, Thomas Moran, Phillip Yager, La Verne Dixon, Minard Hulse and John Carroll; court clerk Stephanie (Pucin) Sulthin; state's attorney Bruno Stanczak and his assistant Jack Hoogasian; treasurer Karl I. Berning; recorder Frank Nustra; auditor John Darrow; coroner Mickey Babcox and

his chief rival in the upcoming primaries, Orville "Pat" Clavey, and county clerk Garfield Leaf.

Led by Lloyd "Red" Murrie, Antioch, the township supervisors will include Frank Valenta, Grant Joe Welch, Barrington; Guy Grinnell, Libertyville; Bob Dixon, Wauconda; Edward Tiede, Lake Villa, and others.

On the state level, Senator Robert Coulson, majority leader W. J. "Bill" Murphy, chairman of the budgetary commission, along with his colleague, John Conolly will make the scene, as will State Treasurer William J. Scott, who is also seeking the Republican gubernatorial nomination, and his chief rival, Charles H. Percy; Warren Wood, Plainfield; Howard K. Kellet, Aurora; Paul E. Hamer, Deerfield; Sherwin Wilens and Alderman Jack T. Sperling, Chicago; Max Wildman, William H. Rentschler, Douglas MacGillis, James P. Hennessy, Nick Keller, Rep. Robert McClory, Sheriff Edward Dowd, McHenry County, and Rockford Police chief Thomas Boustead. Even Lar (America First) Daly has evinced interest in the affair and is planning to attend.

Scene of the party is Lorenz Smart Country House, located just west of Antioch (continued on page 3)

## Legion Makes Plans For Annual Carnival

With permission granted by the Antioch Village Board for the use of the west end of the village parking lot, the Antioch American Legion Post, No. 748, to hold its annual summer carnival, a contract was signed by the

Post this week with the A-1 Amusement Company of Bradenton, Florida.

For the past five years the A-1 Amusement Company has been coming to Antioch with their carnival equipment in cooperation with the local Legion post.

## Rainbow Girls Help Easter Seal Drive

The Easter Seal Drive is on.

About 85% of the money received from the sale of Easter Seals remains in Lake County. The Rehabilitation Center in Waukegan, supported by the funds received from the drive, does more than help the crippled. People who have had strokes, are disabled from automobile accidents, etc., are treated also.

Many people from the Antioch and Lake Villa area are using the facilities to obtain speech therapy for their children.

The Antioch Rainbow Girls handled the job of addressing and stuffing the thousands of envelopes used in this year's drive in the Antioch, Lake Villa and Fox Lake area.

Mr. and Mrs. John Hansen, who have a summer home at Channel Lake, are the owners and operators of the amusement company. The Legion carnival this year is dated for June 30th to July 6th. By arrangement with Mr. Hansen, he is going to bring the whole show to Antioch for a try-out; consisting of ten big rides and over 30 concessions, which at night will look like a small Riverside Park amusement.

The Legion committee: John L. Moran, chairman; Donald Gaston, Dr. George W. Jensen, William F. Chase and Commander George Ott, through the recommendation of Legion Post No. 748, will operate the carnival this year without any outside organizations taking part.

## St. Benedict Elects New Coadjutor

On March 11, the Benedictine monks of St. Benedict's Abbey elected Prior Very Rev. Andrew Garber, O.S.B., as coadjutor abbot to succeed the Rt. Rev. Richard Felix, O.S.B., founder and first abbot of Benet Lake.

The new abbot is 35 years old and joined the monastery in 1950, from his hometown of Glasport, Pa. He was ordained to the priesthood in May, 1956.

The Benedictine Abbey at Benet Lake was established by Abbot Richard Felix in 1945 for missionary work in the Americas on a community basis.

Abbot Richard, now retired at the age of 74, requested the election of a coadjutor. Following ancient tradition, the present members of the monastic family elected one of their own number by secret ballot to serve as abbot for life. Most of the missionary monks were present for the election from Mexico, Nicaragua, El Salvador, Costa Rica and the three priorities in this country.

The present community numbers 27 priests, 12 clerics, 17 brothers and 6 novices.

## Bridge Match Teams Drawn

Pairings have been made for the initial round of the Lions Club Bridge Tournament. The first match will be played by Friday, March 27. Opposing couples will make their own arrangements as to time and place of play.

Pairings are as follows:

The Jacobsons will play the Koprivas; Gaston-Queen will play Dvoraks; the Havilands will play the Wiltons; the Lubkemens will play Patrovsky-Kennedy; Brook-Murrie will play the Thains; Stanich-LaPlant will play the Larson-Hawkins; the Reckers will play the Burkes; Vos-Renschler will play Vogler-Pickus.

The Ripleys will play Shepard-Meyer; the DeBoers will play Fields-Poulos; Petty-Simons will play the Osmonds; the Dupres will play Bywell-Roopenack; the Ebermans will play the Nauhans; Herbert-Ryan will play the Maras; the Oftedahls will play the Solars; Olson-Petersen against Hawkins-Larson.

## Antioch To Get New Touch-Tone Phones

Antioch telephone users will be among the first in the state to be able to enjoy Touch-Tone calling—one of the most significant improvements in telephone technology since the dial.

Illinois Bell Telephone Co. Manager Dick Miller said this new way of calling, in which buttons are used instead of a dial will be available the end of the year to Antioch residents.

"Touch-Tone—faster, easier and more convenient—will be offered on an optional basis at a moderate monthly charge," Miller said.

A 10-button keyboard, carrying the same number-letter combination found on the conventional dial wheel, replaces the familiar dial wheel. Customers no longer will wait to wind up the dial for each

digit, then wait for it to spin back. They will be able to tap out the number twice as fast as they now dial it.

"Touch-Tone is not an 'overnight' project," Miller said. "In addition to a complete line of new phones, it requires major modifications in some 550 central offices in individual communities. It signals one of the biggest changes in telephoning since the beginning of the Roaring Twenties when the conversion to dial began."

## Style Parade Of Past & Present At Fashion Show

With what seems like a full program already planned, new features are constantly being added to the list of attractions at the History of Fashion show scheduled for March 30.

The unique fashion show is sponsored by the Antioch Woman's Club for the benefit of Countryside Hospital. It will be staged at St. Peter's Social Center in Antioch, starting with a dessert luncheon at 1 p.m.

The newest additions to the show are the announcement that the Green Thimbles are making a French Flower-Cart of permanent nosegays which will be for sale, and that Mr. Davis from Hines Store in Waukegan will judge the hat contest and the Mother and Daughter contest.

The contests will take place at various times throughout the History of Fashion. Prizes will be awarded for the most attractively dressed ladies in the audience in the categories of blond, brunette, redhead and gray. A grand prize will go to the first place winner, with lesser prizes for the other women winning their respective categories.

Most attractively dressed mother and daughter will also win a prize.

The History of Fashion show itself is the big drawing card of the afternoon, of course. Many women of the area have had a chance to see a few Mrs. McMillen's costumed dolls, and the full-sized costumes—that accompany them.

The fashions will trace the history of woman's dress from the primitive women to today. About 30 costumes are included in the whole show, each to be modeled by a live model. There will be a matching doll for each costume shown, the dolls serving as centerpieces for the luncheon tables until picked up by the matching model.

Several of the dolls which Mrs. McMillen had dressed for events of the Woman's Club will be given as prizes at various times throughout the afternoon. In addition, there will be surprise gifts in various categories during the show.

Models who will display the costumes are Diana McMillen, Annette Lubkeman, Shirley Stanich, Angie Maras, Joan Larson, Darlene Roblin, Fritz Turner, Ann Kakacek and two children, Kathryn and John Kakacek.

Tickets for the show are \$1.50, and may be purchased from any member of the Antioch Woman's Club or at the door.

Proposed rates, filed with the Illinois Commerce Commission to be effective March 23, call for a one-time \$5 installation charge on residence phones. There will be a monthly charge of \$1.50 for each main line, regardless of the number of extensions associated with that line. Business rates vary depending on types of service. The sleek Touch-Tone will come in a range of colors and styles, including a smaller wall set.

"Touch-Tone has a 'new language.' Special converters and receivers are being installed in telephone central offices to translate the tones from the new telephone sets into language that present switching equipment can understand.

As each button is pressed, two simultaneous musical tones (called oscillations by technicians) are flashed to the central office. The tones which can be heard on the receiver, are similar to the ones that can be heard now when making long distance calls in some areas.

Touch-Tone is not new to northern Illinois. It was in Elgin, Ill., that the push-button phones were tested back in 1958. After that test (the phones were returned to Bell Telephone Laboratories for study and redesigning), 98 percent of the 110 Elgin customers using Touch-Tone said they preferred it to the present dial system "because of the speed and convenience of calling."

## Hit By Batted Ball, Rushed To Hospital

James Kopriva, Jr., son of Dr. and Mrs. James Kopriva of Antioch, was rushed to Victory Memorial Hospital by the Antioch Rescue Squad last Friday after being hit in the neck by a batted ball.

James' larynx was damaged and a tracheotomy was performed after he reached the hospital.

James, 12 years old, was playing ball with several other boys at the Little League field when the accident happened. There was no school last Friday.

Dr. Kopriva reported that his son was doing well Wednesday morning.

VARIETY — Displayed are the complete line of Touch-Tone phones available from the Illinois Bell Telephone Co. for home and business use. Newest addition is the contoured wall phone (top center), smaller and more compact than the present wall set.

## Sampayo Home Rifled

About \$2,500.00 worth of furs and jewelry were stolen from the home of Mr. and Mrs. Jack Sampayo, Sabrina Manor, Antioch, on Sunday night, March 5.

The Sampayos, proprietors, with Mike Schamberger, of the Antioch Bowl, discovered the loss when they returned home from the bowling alley about 5 a.m. Monday morning.

The front door had been broken open, Mrs. Sampayo said, and two bedrooms had been rifled. The rest of the house was undisturbed. She said a fur stole, watches and other expensive jewelry had been taken. Some of the most valuable jewelry, she said, had been left. A pair of expensive gold earrings were found on the front lawn.

The Sampayo's dog was locked in the utility room, where Mr. Sampayo had a gun collection. This, also, was untouched.

Mrs. Sampayo theorized that, with the Men's Singles tournament in full swing at the Antioch Bowl, someone might have known that they would be busy at the bowling alley.

## EDITORIAL

### Getting Away With Murder

A recent Letter to the Editor from a representative of the Tavern Owners Association suggested that it was about time the minor who lies about his age to buy intoxicating beverages should be punished, as well as the tavern owner who sells it to him.

Though there has apparently been little real attempt to enforce the ban on under-age drinking on either side of the bar, there's considerable truth in what the gentleman says.

The tavern owners will have to admit it has usually taken extreme cases to bring the wrath of the law down on their members. In the recent Waukegan case, where two minors were killed and one lost his leg in the car accident that followed the drinking, it's pretty obvious that the minors paid in full for their disregard of the law.

There are plenty of other cases, though, where the drinking minors have flouted the law and gotten away with it, with little or no discomfort to themselves. If a fine was to be paid, it's often the parent who pays it. And the parents of these minors apparently either don't mind paying the fines, or have completely lost control of their children.

So it would seem only reasonable to attack the problem at its roots — the minor who lies about his age, who carries a false ID card, is breaking the law. He knows what he's doing, and he's old enough to be responsible for his acts.

He should, then, be prosecuted and punished. Not jail sentences, but labor, should be his punishment. Probably conscientious judges, if they felt the weight of public opinion were behind them, would be only too happy to mete out stiff sentences of this kind. It should not be too much trouble for any town, city, or county to be able to find some hard physical labor that needed doing. The juvenile officer ought to be able to find someone to supervise a few "road gangs" of youngsters working out their fines.

A goodly dose of hard, dirty, outdoor work will serve several purposes. First drinking won't look nearly so attractive if it carries the threat that the minor may find himself working hard when he could have been relaxing; second, some much-needed work could be done for nothing—cleaning up roadsides, public parks, village streets; third, we're spending quite a lot of tax money on physical-fitness programs for our youngsters. This program will do them good, physically and morally.

"Getting away with" breaking the law leads to disrespect for all laws, and the eventual breakdown of law enforcement. Let's quit pretending that young men and women are naughty children who must be handled gently. Let's quit kidding our children, virtually telling them that they can get away with murder and shift the blame to someone else. Let's insist that both the youngster who breaks the law, and the bartender who allows it, be punished.

### Music Center Gets Pledge

Waukegan-Hoerner Boxes, Inc., has become the first Lake county industry to pledge financial support of The Music Center of Lake County, Inc.

A pledge of \$500 was made by Richard Hoerner, Jr., an official of the company. Hoerner, a leading manufacturer, has a plant in the Waukegan-Gurnee Industrial District.

The music center is a not-for-profit organization formed by Lake County citizens who believe the county needs a center for the performing arts. Primary aims are the pursuit of excellence and the stimulation of students to make music an integral part of their life, said Mrs. Hannah Friedman of Waukegan, chairman of the women's board.

Hoerner, headquartered in Keokuk, Iowa, was the first of many county businesses that will be approached for

### Central High Students Second In Contest

Representatives of the Salem Central High School competed last Saturday with representatives of Waterford and Union Grove High Schools in a forensics contest. Winner of the contest was Union Grove. Salem Central was second with 54 points.

Winners from Salem Central who will compete at Whitewater on Saturday, April 4, are Maren Horne, Sue Pahlke, Janet Lippig, Marilyn Hein, Judy Westman, Mark Olsen, Mary Benson, Elaine Ostman and Mary Ellen Tremonte.

donations, said Ervin Holzman, chairman of the fund raising committee. The center plans to begin operation in the fall.

For more information contact Mrs. Friedman at MA 3-7758.

By Pearl Kapell

The Month of March came in like a sweet and gentle lamb all right. Then, overnight, it shed its woolly disguise and roared and snarled into one of the meanest storms of the season. Within a day it had resumed its smiling, innocent face, as though to say, "Who, me? I wouldn't do THAT!"

March is the adolescence of the seasons, the new year entering its teens. Smiling and sunny one moment, dissolving into tears or storms the next. Blistering and throwing its weight around, then apologizing with warmth and a sunny smile.

Strange, no one ever seriously considers trying to reform March to the placid, even temperature of June. No one writes weighty tomes pointing out that March is much worse than it used to be, and what are we going to do about it?

Phyllis McMillen has made a thorough study of women's fashions of the past and has come up with an intriguing theory.

You know that at various times the effects women strove for in their dress were the narrow-shouldered, the slim-waisted, the large-hipped, the buxom, and the flat-chested, thin-hipped, "string-bean" figure of the twenties.

Phyllis is inclined to think women's figures were influenced by the fashion of their time. As they strove to achieve the "look" that was popular at that time, Mrs. McMillen believes, feminine forms actually changed.

It's an interesting theory, the effect of style on the anatomy. And it could be pursued into other fields. What effect do styles have on health? How far down through future generations do some "trends" affect humanity? The years when it was not the style to nurse your baby, the no-nonsense, no coddling cult—will the effects carry past the generation directly affected?

And, in reverse, how much has style been affected by the shortcomings or weaknesses of famous people? How many styles were started by people in the public eye which were originally designed to cover a fault in that person?

And, in a further ramification of this thought, how much has the course of history been molded by the weaknesses or illness of people in power? Or, for that matter, of members of their family?

We know that the all-out attack on polio was the result of a powerful President's suffering from the disease. The present stepping-up of the fight against mental illness was precipitated by President Kennedy's personal interest in the problem.

These are positive results of the illnesses that touched the great. How about the other side of the coin?

How many bad decisions have been made under the effects of pain, illness that sapped the strength and blunted the mind?

History can rarely illustrate such mistakes. For who can tell what history would have been if the decision had been different?

### Parcel Post Rates Go Up April 1

Postmaster Roy I. Kufalk reminded residents of Antioch that an effective date of April 1 has been set for new domestic parcel post rate increases.

The parcel post increase—approved by the Interstate Commerce Commission and averaging about 13.1%—is expected to yield about \$75.4 million annually.

Catalog rates will be increased approximately 13% and will produce added revenue of about \$2.4 million if 1962 volume is maintained.

The higher rates do not affect air parcel post or international parcel post. To illustrate the effect of the new rates here, Mr. Kufalk noted that a six-pound parcel—which is the average weight—for local area delivery will cost 37¢, instead of 32¢.

## Your Governor Reports

by OTTO KERNER

The backbone of every business and industry is its employees, a fact that remains true for the very important business of the State of Illinois.

Unlike many others, our state is a successful and growing concern. This is due in large part to the hard-working state employees who serve us. One of the single most impressive things I have witnessed since becoming governor has been this dedication by our civil servants.

I have seen state employees working on reports and programs long after their normal work day should have ended. I have seen them easing pain and misery in our hospitals, guarding criminals in our penitentiaries, and clearing the ice from our highways during raging blizzards.

While most of us, as home with our families during holidays, have seen our civil servants caring for the thousands of patients in our institutions, bringing Christmas into the lives of others at the expense of their own. I have seen our entire state police force working long hours during these same holidays, giving up their holidays so that others might live to enjoy theirs.

Occasionally a public employee or official is found to have been unscrupulous or unethical, which causes proper and justifiable concern. But we cannot fall into the

trap of condemning all public employees just because one has become discredited, no more than we would quit eating apples just because we came across a rotten one.

To the state employee himself, there is no greater reward than the satisfaction of serving the public. In terms of money and salary the opportunities are limited. In terms of service the opportunities are endless.

On the state payroll there are now many vacancies that could be filled with qualified persons. The Department of Personnel, for instance, recently launched a drive to fill over 700 jobs available in mental institutions around the state.

Most urgently needed are persons to fill vacancies in such fields as social work, nursing, therapy and teaching. Other vacancies also exist.

These vacancies will continue to occur, particularly in such vital fields as mental health. This one department alone administers 1,217 institutions involving 1,217 buildings and 10,639 acres of land. Nine new institutions and 111 new buildings are currently under construction or in planning, all of which must eventually be staffed.

If you are interested in one of these challenging positions, I invite you to contact the Department of Personnel, Springfield, and see if you have the qualifications.

## SPEAKING TO YOU

By John Burlend

Director of Social Studies,  
Rockford East High School

I listened to the president's press conference the other morning, and like the Washington press who sat in front of him, could not help comparing him to President Kennedy. You can give him an excellent for effort, but it was not a top level performance. The most charitable comment would be that the president hasn't hit upon the best means of communication with the public as yet.

It is a pity, too. For the president who can use it effectively, the press conference is an unbeatable way of reaching the public. He has a nationwide audience, he is performing before the elite of the nation's reporters, and he can control the play. Possibly, no president enjoys the press conference, but Mr. Kennedy had mastered the technique of conducting, and certainly the newsmen enjoyed it.

Pres. Johnson gave the impression that he was too conscious that every word was heard around the world. Determined not to say the wrong thing, he ended by saying almost nothing at all. From the first question about the rumors of an assassination plot, to the labyrinthine questions of foreign policy, the president gave answers that added nothing to our knowledge and understanding.

Certainly, the president should not make foreign policy on the spur of the moment before the eyes and ears of the nation and the world. Such decisions should be made after conference and need not be disclosed to the public. But it is possible to anticipate the trend of the questioning in the press conference, and have pretty well prepared a position that will add something to our understanding of a particular problem.

This is the real function of a press conference. The president has an unparalleled opportunity to explain the administration's views and goals. It was the particular talent of Mr. Kennedy that he was able to amplify and explain a complicated problem in Viet Nam or a domestic problem without tipping his hand or betraying confidential policies.

By contrast, Pres. Johnson was heavy-footed and guarded. The enlivening bits of humor with which Mr. Kennedy delighted his audience were missing. It was not that Mr. Johnson did not try to add a touch of humor, the attempts fell flat because the scene had not been set for that approach; and when the

president tried, the intended humor was too forced to be effective.

The press conference marked the end of the first 100 days of the new administration. It is a good time to look it over and cast the first tentative opinion of how well it is doing.

There are two matters to consider: Mr. Johnson as a candidate for the 1964 election; Mr. Johnson as the chief executive. With regard to the first, there is no doubt that he is a capable politician, and that he will be difficult to defeat in November. He knows well the number one axiom of the successful candidate: the winner is the man who gets more votes than his opponent. It may be fun to defy the hopes and aspirations of large sections of voters, but it doesn't pay dividends in electoral votes. He could stumble but, thus far, he has made no great political blunders. It is a bit early to pass judgment on the achievements of the new administration. Thus far, he has traveled on the impetus and with the team that the late president instituted. In course of time the Kennedy team will gradually fade from the scene, and be replaced by Pres. Johnson's own men. It is then that the rub must apply. He will be judged, as all presidents must, on the record. Re-election depends on popularity; the verdict of history is based on statesmanship.

The greatest weakness that the president has revealed is an extreme sensitivity to criticism. He has made the press a little unhappy on one or two occasions; his first full press conference did little to turn that direction. The working press makes biting judgments of a president. If he is thin-skinned, that is just too bad. It is unfortunate that Pres. Johnson has not established a clear and firm means of communication through the electorate, either through the press, or by other means. A failure in this area could be costly.

How Times Do Change!

Here's an interesting bit of information which Village Clerk Clarence Shultis ran across in the official records of the village.

In 1907, the assessed valuation of the village of Antioch was \$79,319. In 1962, the assessed valuation of the village was \$10,751,018. The valuation of Antioch Township was \$483,074 in 1907.

## Courthouse Notebook

BY LOU DUNNIN

New Hampshire or no New Hampshire, Lake County Republicans are attacking to Barry Goldwater for President. At least Max Wildman and Bill Rentschler, candidates for delegates to the National Convention, and Howard Greene, candidate for alternate delegate, are staying with the Arizona Senator.

There is a new group, however, who feel that Goldwater has had it and they are organizing a write-in campaign in the April 14 primary for former Vice President Richard M. Nixon.

Tom Stelakal, a Young Republican and a hard working campaign volunteer for several candidates, is spearheading the Nixon effort in Lake County.

The Tribune's antipathy for the east and "Eastern money," a devilish duo which has earned Chuck Percy the paper's opposition, is probably the reason Cong. Robert McClory is trying to get a U. S. Mint for Lake County.

Precinct committeemen from the southern part of the county tried to get a resolution through the Executive Committee of the Lake County Republican Central Committee which would have bound delegates to the state representative nominating convention to nominate two candidates from that part of the county.

The maneuver failed, but it appears that the delegate candidates are being maneuvered into a position where they will have to pledge themselves to nominate legislative candidates endorsed by south county GOP organizations.

State Rep. W. J. Murphy has already tried to assure Republicans that two additional representatives will be nominated for Lake County and he is now insisting that it is his intention to accept the recommendations of the committeemen.

Nick Keller, of Waukegan, has openly courted support in Deerfield and other southern townships with his promise of support for candidates put forth by committeemen from those areas.

Ralph Kaye, of Highland Park, would undoubtedly nominate himself, which could solve half the problem if he is elected a delegate.

State Rep. John Connolly has not been quite as strong in his promises to the south county voters, but he has been in agreement with Rep. Murphy that there should be two districts in Lake County and, of course, he would prefer north and south districts. Mrs. Alice Gridley, of Lake Forest, and William Makelin, of Highland Park, have indicated they would not be candidates, but could be expected to favor nominees sponsored by GOP groups from their areas.

Members of the "Frank Peers bloc" on the county board must feel a little like the "West Side bloc" in the state legislature.

Republican candidates at all levels are busy trying to read the blocsters and legislative defectors out of the party assigning to them an importance and effectiveness far beyond their numbers.

Now it appears that Waukegan Supervisor August Cepon may lose his bid for the county board chairmanship because Peers and his followers have reportedly aligned themselves with the Waukegan group.

We trust that William Hartnett, chairman of the Lake County Democratic Central Committee, was being facetious when he suggested elimination of the county Board of Supervisors in favor of a commission form of government.

It could be that a five man commission would be more efficient than a 37 man Board of Supervisors. It follows then that one man would be even more efficient.

Undoubtedly, then, the most efficient government of all would be one man at the head of a single monolithic government that would take care of national, state, and local problems.

Come to think of it, we might be closer to that than we realize when we consider how deeply the federal government is reaching into the everyday lives of local governments and individuals.

## Letters to the Editor

March 13, 1964  
Sheriff Charles Larson  
Sheriff's Office  
Lake County  
Waukegan, Illinois

Dear Chuck:  
Since the death rate in Lake County is on the rise, I would like to make a suggestion. As in some western states where there is an accident and a death occurs a white cross approximately 3 feet by 5 feet painted white is placed at that location.

This is a constant reminder to all motorists passing these crosses that carelessness caused a death at this location.

These crosses can be made in Lake County High School shops which would also remind the students making them that it does not pay to be reckless or careless.

I hope that you will use this idea as I think it would work wonders in helping to reduce the death rate in our county and the cost would be very low.

Sincerely yours,  
George J. Mazzuca

TO THE PEOPLE OF WAUKEGAN AND LAKE COUNTY:

As my letters to the editor of the Waukegan News-Sun are no longer printed in their entirety and are, therefore, changed by the editor to misinform you, the public, I will take this means to bring my information to you, myself.

Since I started my letter writing campaign a few months back, countless people have talked to me at work and have stopped me on the street to commend me. I have received hundreds of phone calls and many letters, not one of which was critical of my information. No official has dared to label it incorrect or misleading. You can be sure, had it been either, the newspaper would have headlined any error.

This is the newspaper which attempts to control the thinking of all you taxpayers; gives only one side of the question on the Water Works, Urban Renewal, Public Works, school referendums, and then tells you how to vote. This is the newspaper which picks the politicians for the county and controls the political machine. Aren't we kidding ourselves when we elect politicians endorsed by this newspaper—to represent us?

The coming April 14th Primary election however, gives the voters a chance to remove some present county officials from the November ballot; may I suggest the State's Attorney's office as a good place to start? I have had personal experience with the "run-around" the taxpayer can expect there, from trip after trip I made to his office on a quo warranto proceedings. Now that Circuit Court isn't in session on Saturdays, the State's Attorney's office isn't open either. If a working man wants to get in touch with him, he takes a day from work, minus pay, and may even then not find the State's Attorney in.

The present State's Attorney is a "pressure politician" who uses the power of his office to obtain his personal wants. You remember the young woman employee whose mother didn't support his political ambitions, don't you? Two days after the caucus, the young lady was no longer efficient enough to work for the State's Attorney.

Isn't it rather frightening to think the type of legal consideration you might receive would be dependent upon whether or not you agree with, or are important to, the man who is supposed

THE ANTIOCH NEWS 2  
THURSDAY, MARCH 19, 1964

To protect your civil liberties?

April 14th we "stupid little citizens" have an opportunity to place an honest man on the Republican ballot in November. It will take hard work, but if we're sick and tired of being bullied, overtaxed, and brain-washed, we will work to see that PAUL HAMER wins the Republican nomination for State's Attorney. VOTE FOR PAUL HAMER ON THE REPUBLICAN BALLOT APRIL 14, 1964.

David Tuck  
Waukegan, Ill.

### NICC To Hear Report on Fish

Bruce Muench, state biologist, will give a report on the comprehensive survey made last year of fish in the Chain O' Lakes at the March 25 meeting of the Northern Illinois Conservation Club. The meeting will be held in the community room of the Antioch Savings & Loan Building on Lake St. in Antioch. The public is invited.

The survey was made to determine the species and number of fish in the Chain. A movie of fishing at God's Lake, Canada, will also be shown.

VISIT FLORIDA  
SARASOTA, Fla.—Mr. and Mrs. Arthur Doty and family, Rte. 4, Antioch, enjoyed a visit to Sarasota Jungle Gardens while vacationing on Florida's Lower West Coast.

### Charter Issued

The office of the Secretary of State has issued a charter to Lake County Racing, Inc., Warriner's Subdivision, Antioch, Illinois, to Gordon Sillanoff and Lorraine F. Sillanoff, Waukegan Speedway, Rt. 2, Box 66, W. Washington St., Waukegan, Ill.

### The Fine Art Of Salesmanship

Anyone who has ever been bamboozled by a fast talking salesman will know what I mean when I say that appearances can be deceiving. Take the case of a new car shopper. I've seen it happen many times where the prospect would tour a number of towns and cities until he got the best offer (by about \$50) and then end up buying a different model at a much higher price.

How did it happen? He simply got talked into it by the salesman. The \$50.00 he was "saving" just got lost in the shuffle of different model prices, optional equipment, accessories and finance terms. The trade slang for this type of high powered selling calls it "spinning" the prospect. Pretty descriptive too since it usually leaves him dizzy and confused.

Here is the kicker though: out of the confusion of the final deal, the buyer clings to the thought that dominated his mind during the whole transaction. That is that he was "saving" \$50.00! In case you're ready to scoff let me add I've seen many educated and intelligent people fall into this trap! It's not so surprising though, when you realize most folks aren't even aware of the exact rate or amount of finance they are paying.

It is our policy to plainly state all the facts of a sale. We hope you check all of the facts. If you do you'll find there is no comparable value for your money than that offered by John Teresi Chevrolet-Oldsmobile, Inc.

## Benefit Ball To Aid Mental Health Society

Lake County residents will have a chance for a nostalgic evening of dancing on Tuesday, May 5, when the incomparable Wayne King, his Golden Saxophone and world famous orchestra return to the Rink Ballroom in Waukegan.

The occasion will be the benefit ball to be sponsored by the Lake County Mental Health Society. It will be in conjunction with the county-wide "Mental Health Week," to be held April 26-May 2.

Wayne King, often called "The Waltz King," last appeared at the Rink Ballroom in the 1950's. His was one of the big bands including those of Kay Kaiser, Harry James, Paul Whiteman and Lawrence Welk, to appear at the once-renowned Valencia Ballroom and the Rink Ballroom in the 1930's.

During the late 1940's, he had a television show, which originated from Chicago.

A great outdoor fan, King still maintains farms at Roselle and Ottawa, Ill., and a country home in northern Wisconsin.

Mrs. Richard Ripley, Antioch, is chairman for the dance.

## Betrothed

Sandra Gorr

Mr. and Mrs. John Gorr, Cedar Lake Park, Lake Villa, announce the engagement of their daughter, Sandra, to Russell Landt, Jr., of Spring Grove, Ill.

The wedding is planned for June 27.

## Social Notes

By Del Jahneke

Private Neil Lessard, U. S. Army, son of Mr. and Mrs. Harry Lessard, Antioch, arrived in Worms, Germany, on March 14. He will be stationed there for fifteen months' duty. His wife, the former Arlene Rozek of Antioch, will leave here on April 1, to join him. She will fly by jet-plane to Frankfurt, Germany, in 8½ hours, and then will travel by bus the remaining 50 miles to Worms.

Mrs. Lucile Kutz, of Dixon spent several days this past week, visiting her mother, Mrs. Lucy Himons, Antioch.

Mrs. Nellie Hanke suffered a heart attack last week, and was rushed to Victory Memorial Hospital, Waukegan, where she is still a patient.

**SATURDAY NIGHT DANCE**  
The Antioch Allemanders will hold their monthly square dance Saturday, Mar. 21, at 8 p.m.

The dance will be held in the recreation room of the Antioch Savings & Loan Association on Lake Street in Antioch. Tom Thornley is calling the squares. Refreshments will be available.

**ANTIOCH GARDEN CLUB**

The Antioch Garden Club will meet at the home of Mrs. Edwin W. Olsen on March 23 at 12:30 p.m.

Co-hostesses Mrs. Clifford Vanderwerker and Mrs. Frank Vance will assist Mrs. Olsen.

Mrs. A. M. Umberger will present a program on gourds.

## Engaged

Mr. and Mrs. Otto Gussarson of Antioch announce the engagement of their daughter, Yvonne Ann, to William Mikes, son of Mr. and Mrs. William Mikes, Sr., of 2314 N. Latrobe Ave., Chicago.

A July 11 wedding is being planned.

## Woman's Club Holds Meeting

With a few touches of green here and there, a miniature Blarney store, daisies on the table, and a few Irish melodies, the Antioch Woman's Club held its second March meeting at the Scout House last Monday afternoon.

Mrs. O. W. Turner, chairman of the tag day for WTTW, Channel 11, held in Antioch on March 7, reported that the total amount received was \$173.20, a substantial increase over last year's drive.

It was decided at the board meeting to have the club contribute to the A.F.S. program. Sponsored by the Student Council of Antioch High School, it is the aim of the program to bring a foreign exchange student to Antioch next fall.

William Krueger of the Miller Flower Shop in Racine was the featured speaker on the program, making several floral arrangements for the demonstration.

The hostess committee was Mrs. Edwin Olson, chairman; Mrs. Roy Hyre, Mrs. Clarence Gibbons, Mrs. Morris Pickus, Mrs. Bernard Osmond, Mrs. Earl Hayes and Mrs. Homer Gaston.

Completing the Irish theme, Mrs. William Murphy and Mrs. Harry Green poured.

## Local Business Men Attend Convention

Emerson R. Sander and John F. Dallman, co-owners and Paul F. Dallman, manager of Sunshine Laundromat of Antioch and Lindenhurst attended the American Institute of Laundering's 76th Convention-Exhibit in Chicago March 7-11.

## Campus News

**CARLINVILLE, Ill.**—Terry A. Folbrink, of Antioch, Ill., was recently named to the 1964 varsity track squad at Blackburn College here, announced Coach Clarence R. Hughes.

Folbrink, son of Mr. and Mrs. Stanley Toton, Rt. 5, Antioch, Ill., is a chemistry and English major at Blackburn. He is a 1962 graduate of Prairie College Conference, is slated to participate in eight meets this year.

Richard W. Srech, son of Mr. and Mrs. Srech, Lake Villa, has been named to the Dean's Honor Roll for having excelled in his academic work during the last quarter. To be named to the Honor Roll, he must have maintained a cumulative grade point average of 3.2 or better out of a possible 4.0.

A 1957 graduate of Antioch Township High School, Srech is enrolled in the Mechanical Engineering course at Milwaukee School of Engineering.

Brian C. Elliott has been named to the Deans' List at Illinois Institute of Technology, Chicago.

The Deans' List is composed of all students at IIT who have distinguished themselves academically during the past semester.

Elliott, son of Mr. and Mrs. Clair Elliott, Depot St. Antioch, is a junior in the mechanical engineering department. He is a graduate of Antioch Township High School.

\*\*\*

James Borchardt, son of Mr. and Mrs. Harold Borchardt, 849 Lake St., Antioch, will play the role of James in The Passion of Christ the Saviour, to be presented at Saviorian Seminary, St. Nazianz, Wis., on March 15, 18 and 22.

ALTAR BOYS HELP FATHER HENDERSON and Father Hanley prepare the palms for Palm Sunday, March 22. The palms will be distributed at all Masses next Sunday. Left to right in the picture are Father Hanley, Dennis McCarthy, George Sedivec, Kirk Vistain, Joseph Badamo, Peter Kuzmickas, Michael Queen and Father Henderson.

## "Where The Boys Are—"

Airman Terrence R. Lentz

**LACKLAND AFB, Texas**—Airman Terrence R. Lentz, son of Mr. and Mrs. Frederick C. Lentz, Sr., of R. R. 1, Salem, Wis., has been selected for technical training as an air policeman at this Air Force base.

Airman Lentz, who enlisted in the Air Force a short time ago has just completed his basic military training here.

The airman attended Central High School.

\*\*\*

**KANOEHE BAY, Hawaii**—Marine Private Arthur J. LaFlamme, Jr., son of Mr. and Mrs. Arthur J. LaFlamme, Sr., of Route 3, Antioch, recently graduated from the Motor Vehicle Operators School.

LaFlamme is serving with the First Marine Brigade at Marine Corps Air Station, Kaneohe Bay, Hawaii.

## Italian-Style Dinner at St. Peter's

An Italian style dinner featuring mostaccioli and meat balls, salad, bread and dessert, will be served from 5:30 to 7:30 p.m., March 19, in the school cafeteria, by the Holy Name Society of St. Peter's Church, Antioch.

Donations for the evening will be \$1.00 and will include roller skating, cards, and/or dancing to records. ... Something for all. Grade school children half price and the pre-schoolers free. Tickets available at the door.

THESE DOLLS are a sample of the handwork of Mrs. James McMillan, whose work will be featured in the History of Fashion Show on Easter Monday for the benefit of Countryside Hospital.

## ANTIOCH AMERICAN LEGION AUXILIARY

At the March 13 meeting of the Antioch American Legion Auxiliary, six new members were voted into membership. They are Mrs. Lillian Battista, Lindenhurst, a Gold Star sister, Mrs. Vincent Block, Glenview, Mrs. Lucille Kutz, Dixon, and Mrs. Arthur Soby, Mrs. John Blerman, and Annette Zikus, Junior Auxiliary member, all of Antioch. Mrs. Walter Hills, Membership chairman, states that the Antioch Unit is now two members over 100% in membership.

Mrs. Lester Zikus, chairman, and her committee, are working with Mr. Don Gaston of the Antioch American Legion Post, in planning the March 23rd party, to commemorate the American Legion's 45th birthday. The American Legion was organized on March 15, 1919, at Paris, France, by a group of World War I veterans.

Mrs. Clarence Larson, Americanism chairman, and Mrs. John L. Horan, Secretary, will be attending the 38th annual Patriotic conference of the American Legion Auxiliary, Department (state) of Illinois, on March 19, in the Morrison Hotel, Chicago.

Approximately 900 Auxiliary members from every part of the state will attend this conference, which features three important phases of the American Legion Auxiliary — Americanism, Civil Defense, and National Security. Mrs. Homer Roman, state president, of Macomb, will preside.

A representative from the Department of Civil Defense, Washington, D. C., will comment on the film "Town of the Times," which will be shown. The narration will concern fall-out shelters in public buildings.

Adding a unique touch to the program will be the presentation of Val Gould, popularly known as "Mr. Quaker," who will appear in a colorful costume. Gould's subject will deal with Americanism versus communism. His extensive travels have included a stay of many months in Germany during the Berlin Airlift. An entertainer, and producer of shows for American military personnel, Mr. Gould has had the oppor-

tunity to observe Communism closely.

Emphasizing the third part of the Conference's patriotic theme—National Security—will be the address of Mr. Carter Davidson, noted lecturer and television personality. He will speak on the importance of women in promoting security, and practical means of their participation.

A luncheon honoring Mrs. Omar J. McMackin of Salem, Ill., National Vice President of the Central Division, will climax the day's activities.

THE ANTIOCH NEWS 4 THURSDAY, MARCH 19, 1964

Mrs. McMackin is a Department past president. She will address the audience on the various aspects of the National organization's program.

What some people don't know about driving fills the hospitals.

This is the only country in the world where as soon as a seller can afford a Plymouth he buys a Cadillac.

## Lake Villa News

By Mrs. Fred Bartlett  
Lake Villa 356-5372

### Methodist Circle Items

The March meeting of the Martha Circle was held at the home of Mrs. Alvin Pegg. The next meeting will be held April 13, at 8 p.m. at the home of Mrs. Harriet Bailey.

The Robekah Circle of the Lake Villa Methodist church is sponsoring a "Luncheon is Served" at noon on April 14, at the church. Tickets are available from Robekah Circle members.

The Women's Society of Christian Service of the Lake Villa Methodist church will hold their next meeting on April 7, at noon in the Fellowship hall of the church, at which time officers for the year will be elected for the year beginning June, 1964. Hostesses for the dessert luncheon will be Mrs. Fred Troesch and Mrs. Ruth Erickson. Plans are being made for the Mothers and daughters banquet to be held May 6th.

### Masters and Mates

The Masters and Mates of the Lake Villa Methodist church will sponsor a square dance on Saturday, March 21, at 8 p.m. at the B. J. Hooper school. The admission is free. Come out and swing your partner to Ye Olde Square Dance. Caller of the evening will be Mr. L. D. Carlson. He has called at other square dances sponsored by the Masters and Mates.

Hosts for the evening will be Mr. and Mrs. Robert Smith and Mr. and Mrs. Robert Zenor. Plans are being made for a progressive dinner to be held on April 13, more details later in this column.

### Royal Neighbors of America

The Royal Neighbors Officers club met Wednesday, March 11, at the home of Mrs. Paul Avery. A dessert luncheon was served by the hostess. Co-hostess was Mrs. Fred Hamlin. Those attending were Mrs. Lavina Mitchell, Mrs. Arthur Andersen, Mrs. Winifred Seefeldt, Mrs. Mathilda Bartlett, Mrs. Stella Shastal, Mrs. William Fish, Mrs. Clarence Blumenschein, and Mrs. Anna Veljkovic.

They will not have a meeting in April, as the club will dine out. The May meeting will be held May 13 at the home of Mrs. Stella Shastal of Columbia Drive, Lake Villa.

The next regular meeting of the Royal Neighbors will be held Tuesday, March 31, at 8 p.m. at the village hall. Oracle Edna Botts wishes to thank all the members who worked at the Countryside hospital rummage sale, and those who donated bakery goods.

### American Legion Auxiliary

The American Legion Auxiliary met Thursday night, and are making plans for the rummage sale to be held some time in April, date and time to be announced later.

Several Auxiliary members are planning to attend the Past Presidents' Smorgasbord to be held April 16 at Lake Zurich. Those planning to attend are Auxiliary president Mrs. Fred Bartlett, Sr., Mrs. Clarence Perkins, Mrs. James Boerman and Mrs. Raymond Rathmann.

The Americanism essays sponsored by the Lake Villa American Legion Auxiliary were judged by two grade school teachers, Mrs. Donald Oilschlager and Miss Smith, and two Auxiliary members, Americanism chairman Mrs. Clarence Perkins and Mrs. Harry Kraemer. Prizes will be awarded at graduation.

About 38 essays were received from the Prince of Peace school and the Lake Villa grade school.

### Lake Villa Band

The Lake Villa grade school band participated in concerts at two different schools in Milwaukee Friday. New Neighbor on McKinley

Mr. and Mrs. Fred Bartlett, Jr. and family moved Sunday to their newly completed home on McKinley Ave., Lake Villa. They formerly resided at 215 Grand Ave.

Mrs. Raymond Bartlett and daughter, Donna, and son, Eugene, spent the weekend with relatives at Arthur, Illinois.

### Reminders

Don't forget to go to the St. Patrick's dance at the Lake Villa VFW home Saturday, March 21, dancing to start at 9 p.m. till 1 a.m. Music by the King's Men. Just a reminder to bring the kiddies to the Easter egg hunt Sunday, March 22, start-

## Personnel Topics

Career Opportunities with the State of Illinois  
Edited by the Illinois Department of Personnel

**Q. A. Kaskashia couple writes:** "We would like some information on the type of work involved as a Cottage Parent Couple at the State Training School for Boys at St. Charles."

**A. A Cottage Parent Couple** acts as substitute parents for the boys assigned to their cottage. They work as a husband and wife team in providing guidance and training to the children as well as supervising them in their work and recreational activities. Married couples interested in employment as a Cottage Parent Couple must take and pass the State Merit examination. The husband must qualify in the Cottage Parent II examination and the wife in the Cottage Parent I examination. Further information may be obtained by writing to the Department of Personnel, 121-H, State Capitol, Springfield.

**Q. A Quincy resident writes:** "I am interested in the positions of Game Biologist or Forester I. I shall graduate in June from Quincy College with a B.S. degree in biological sciences and a minor in chemistry. What are the requirements for filling these positions?"

**A. The minimum training and experience requirements** for both options of Fish and Game Biologist I consist of completion of four years college, with major courses in biology, ecology, zoology and game or fish management. Option I covers the field of fish biology and Op-

tion 2 covers the field of game biology. The minimum training and experience requirement for Forester I is completion of four years of college preferably from a four-year forestry college.

**Q. A Beul resident asks:** "Are there any lists available showing State Merit examinations?"

**A. The Department of Personnel** has lists available of examinations currently being offered on a continuous basis. These lists will be furnished to interested persons upon request.

**Q. A Springfield resident writes:** "I am a registered medical technologist and I am presently employed in a hospital laboratory. I am interested in a career in public health as a laboratory technician. I would like to know about the various grades of positions and the examinations required for them."

**A. State Merit examinations** are currently being offered on a continuous basis for the positions of Laboratory Technician I and II. The examinations for these positions consist of either a written test together with a performance test or a written test together with a rating of training and experience depending upon the option selected.

Questions regarding positions under the State Merit System should be addressed to the Department of Personnel, 121-H State Capitol, Springfield.

## Bowling Tips...

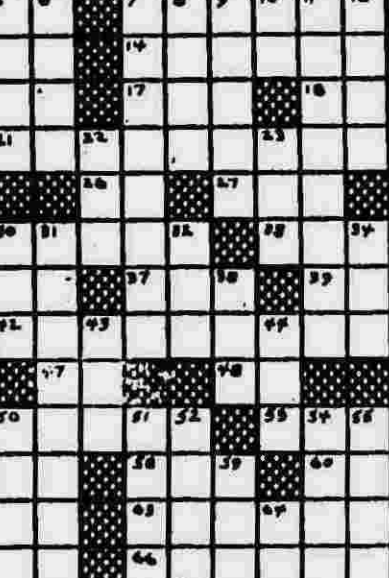

SIMPLE TEST DETERMINES PROPER FIT FOR YOUR GRIP

How to select the proper bowling ball? You have a choice of three basic grips: fingertip, semi-fingertip and standard. Ray Schanen of Milwaukee, one of the nation's top professional bowlers and member of the Miller High Life advisory staff, demonstrates the fingertip grip. Most pro bowlers prefer this because it provides more natural power and mixing action. But it's a more difficult grip to control, Ray says, and is not necessarily the best grip for every bowler. To determine the proper fit for you, place the thumb in the correct hole and stretch the other fingers around the ball. If you favor the fingertip grip (1), the distal joint (near the tip) of the middle finger should fall one-fourth of the way across the hole. For the semi-fingertip (2), the middle joint should fall one-fourth of an inch short of the hole. If you prefer the standard grip (3), the middle joint should extend one-fourth of the way across the hole.

ing at 1:30 p.m. in Lehmann Park. It is the fourth annual Easter egg hunt sponsored by the Lake Villa Township American Legion Post. Gifts will be awarded for certain colored eggs. Various business men around Lake Villa donated the gifts.

## State and Local

(continued from page 1)  
on Highway 173, beginning at 7 p.m. with dinner at 8. Ticket sales are limited to the capacity of the restaurant and are almost gone, although Bill Brook at the Antioch State Bank and Ed Stetten at the First National Bank still have some available.

## Millburn News

By Mrs. Frank Edwards

Palm Sunday services will be held at the Millburn Congregational Church Sunday morning, March 22, at 10:00. Maundy Thursday communion service at 7:30 p.m. Thursday, March 26. New members will be received in this service.

The Devotional Study Group met at the home of Mrs. Verlon Groves of Druce Lake, on Thursday morning. The next meeting will be March 28 at the home of Mrs. Charles Lucas.

Mr. Gordon Bonner is a medical patient at Condell Memorial Hospital, Libertyville.

Mr. and Mrs. John Edwards of Libertyville were callers at the home of Mrs. Frank Edwards Sunday evening.

Several from Millburn attended a joint meeting of Women's Fellowship and Men's Fellowship of the Chicago Congregational Association at the First Congregational Church in Oak Park last Friday evening.

Mr. and Mrs. Robert Smith of Libertyville spent Friday afternoon at the home of Mrs. Frank Edwards.

The Millburn Social Club met at the church Tuesday evening with a pot-luck dinner at 7 p.m.

The young people of the Pilgrim Fellowship will take charge of the Sunday evening service at the church at 7:30 p.m., March 22.

Easter Sunday services at Millburn Congregational Church: Sunrise service at 5:30 a.m. Breakfast at 6 o'clock. Two morning services: one at 9:30 a.m. and the other at 11 a.m. Reservations must be made for the 6 o'clock breakfast on Easter morning.

## Grass Fires Plague Antioch Fire Department

A rash of grass fires has plagued the Antioch area in the last week, as well as the county.

Main culprit in the grass fires, says Fire Chief Edgar Simonsen, is the open incinerator used by many people to burn papers, etc. With the dry weather and the high winds, a burning piece of paper blown out of the trash burner is enough to start a fire, the Chief says. He warns that people should not try to burn trash on windy days, and should not leave the fires unattended.

On March 2, the fire department answered a call to Rena Ave., Petite Lake, at the Reckers home, where a gas stove had overheated.

On March 4, a grass fire near the Antioch Clinic on North Main St. called them out.

On March 6, a fireplace set fire to the floor of the Joe Ferrin residence at Indian Point. Minor damage was done.

On March 12, there was a grass fire at Lake Ave. and Highland Drive at Channel Lake.

Another grass fire started on the Osmond property at Routes 69 and 173 on March 12. On the same day a grass fire at Beach Grove Road called out the fire department.

There was a grass fire near the Max Rey property at Deep Lake Road and Rte. 173 on March 13.

There was suspicion of arson in a fire at the abandoned Welco Station on Rte. 21, south of Antioch on March 15. The fire was quickly brought under control by the Antioch Fire Dept., with only minor damage done. Some of the red flares used on railroads were found in grass around the building. The fire department extinguished a grass fire on Grass Lake Road east of the Grass Lake Food Mart on March 16.

A farmer from the Eastern Shore of Maryland put a tuxedo on his scarecrow. It didn't protect the corn, but it attracted a better class of blackbirds!

## State Bank Officers At Credit Conference

Three officers of the State Bank of Antioch attended the National Installment Credit conference sponsored by the American Bankers Association at the Conrad Hilton Hotel in Chicago March 9, 10 and 11.

John Fields, Preston Reckers, Jr., and Richard Daniels heard the forecasts and analyses of business and credit demands by industry. All phases of installment credit were reviewed to formulate sound credit policies and practices.

## Rummage Sale Looms To Run Scout Bus

The Mother's Auxiliary of Boy Scout Troop 9 of Antioch are proud of the fact that they have the only "Traveling Troop" in the Northwest Council.

The Auxiliary maintains a bus to take the boys on trips. And it costs a lot of money, say the ladies.

Consequently, they are sponsoring a rummage sale to be held this Friday and Saturday, March 20 and 21, at the Scout House on North Main St. The sale will last from 9 a.m. to 9 p.m. Friday, and from 9 a.m. to noon Saturday.

Donations for the sale can be delivered to the Scout House all day Thursday and Friday, or will be picked up. For pick-up, call 395-0988, 395-1645, 395-0601, 395-1001, El 6-5825 or Ju 7-7243.

Although the Mother's Auxiliary has only about 18 active members, they support the bus, even to license and insurance. The boys have taken trips to Northern Wisconsin, several Western states and Canada in the bus.

Mr. Sturm married Martha Mateke at Forest Park, Ill., on May 25, 1940. He has been employed as a leader

## SPEECH VERSUS SILENCE

Let thy speech be better than silence, or be silent.—Dionysius the Elder.

If someone asks what it is that makes a good talker, I'd answer very simply that a good listener makes a good talker.—James Stephens.

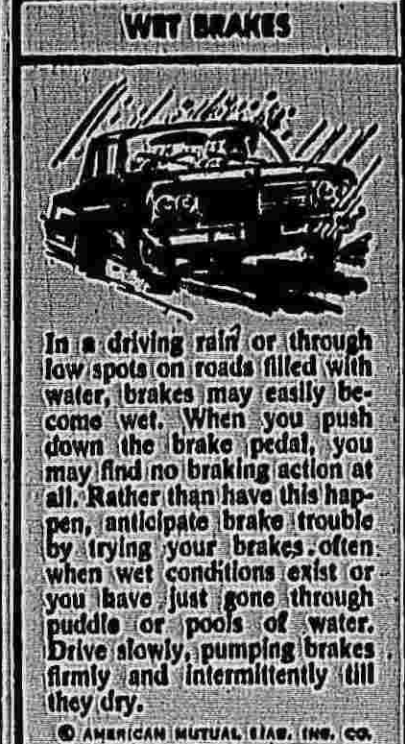

If people would confine their talk to subjects that are profitable, that which St. John informs us took place once in heaven, would happen very frequently on earth.—silence for the space of half an hour.—Mary Baker Eddy.

Few men have ever repented of silence.—Patrick Henry. We all have within us a center of stillness surrounded by silence.—Dag Hammarskjold.

Blessed is the man who, having nothing to say, abstains from giving in words evidence of the fact.—George Elliot.

## Passing Speed

Even seasoned drivers may not know all they should about careful passing, says the Chicago Motor Club. When you are going to pass, it is essential that you know how to judge the distance and the speed you'll need to get safely around the car ahead. For instance, to pass an auto doing 45 miles per hour, you should do 60 mph. And you'll need about 1/4 mile to make a safe passing maneuver. After you have passed the car ahead, guard against a tendency to slow down too quickly.

At 6 Percent? "All that I am... or ever will be... I owe."

## ALL ABOUT BABIES...

A Public Service of the  
National Baby Care Council

### INSURE BABY'S SAFETY

By Mrs. Davis Mittenwey,  
R. N., Pediatric Nursing  
Consultant

A little foresight and a few precautions can insure the safety of your baby.

Begin by making your home and particularly baby's room, safe. It's easy to get carried away by the need for a super clean floor in baby's room. Clean, yes, but not shiny. A slippery, polished floor invites spills. When you are totting a heavy infant, a polished floor can surely be a menace.

Always have plenty of light around. It's easy to stumble in the dark. Here's a way to make a light switch in baby's room easy to find: Using one of baby's cotton swabs as a brush, outline the light switch with fluorescent paint. Do this too to switches in dark hallways.

Baby should sleep on a firm mattress without a pillow to avoid any possibility of an accident. This applies to baby's carriage as well as the crib.

When feeding baby, you take an unnecessary risk when you bring your child into your bed. After a weary day of round-the-clock activity you may doze off while baby is feeding.

There's always a risk of baby falling off the bed or of you injuring or smothering an infant lying beside you.

While on the point of feeding, let's not overlook bottle-propping. Although bottle-propping looks innocent enough, a baby can easily get into trouble should he regurgitate. Should this happen, a baby may not be able to cough and the milk or formula may, as a result, flow into his lungs.

This brings up another thought. Babies cannot, when they're tiny, blow their noses. Use a cotton swab to clear the nostrils before or after bath time.

When dressing and diapering baby, get in the habit of using a pin cushion. Safety pins, ironically, continue to be a safety hazard. Never hold safety pins in your mouth or leave them on a table within baby's reach.

Perhaps the most important tip of all is this:

Print, in large letters, the name of your family doctor and his telephone number on a card and tape it to the most prominent place in baby's room. In an emergency, this information will be easy for you or a baby sitter to find and use instantly.

## What's in the WORLD! by TED

### Feeding the Enemy

As disease carriers, man's furred and feathered friends can be his deadly enemies.

New York and other American cities are worried by the discovery that a form of meningitis is caused by a fungus found in the droppings of pigeons and starlings. A formula and growing list of other birds and animals that transmit diseases to man has been compiled by the World Health Organization, a United Nations agency.

In Texas, for instance, illness among poultry workers

was traced to turkeys infected with psittacosis, a disease originally linked to parrots. Rats, long known to harbor plague-carrying fleas, spread hemorrhagic fever among American troops in Korea. Dogs once bore the sole blame for transmitting rabies. But today, WHO advises the world's medical men, they must be suspicious of an ever-increasing list of animals. Already the list includes such diverse species as the beaver, rabbit, skunk, bat, squirrel, fox, wildcat, bear and even the caribou.

## One Killed, Two Hurt in Car Accidents

Several area auto accidents have taken a toll of dead and injured in the past week.

A. F. Webber of Spring Grove was fatally injured Monday night when his car turned over on the Willmot-Johnsburg Road about a mile south of Route 173.

Webber, 35, was thrown

from the car when it overturned.

Mrs. Helen Geler, Rt. 5, Antioch, was injured and taken to St. Theresa Hospital after an accident at Rte. 41 and Stearns School Road Monday.

Linda Lasser, Rt. 2, Box 430, Loon Lake, Antioch, was taken to the Antioch Clinic, then to Victory Memorial Hospital after an accident on Route 21 south of Antioch Tuesday morning about 7:30.

# Track Squad Looks To Big Year in '64

Coach Roger Andrews and 65 boys are earnestly looking forward to the 1964 track season. It was learned this week. Out of the 65 boys who reported for the first practice session Monday, March 16, only five were seniors.

The list included 20 juniors, 23 sophomores and 17 freshmen. "We lost some good boys last year through graduation," Andrews said, "but we will have good depth and will be very strong in the middle distances, dashes and the high jump. Overall I think we will be even stronger than last year."

Last year's squad finished second in the Salem Invitational, fourth in the Palatine Relays and sent the mile relay team and Dione Rathbone to the State Tournament.

"Possible weaknesses," Andrews went on, "will be the pole vault, discus, broad jump and the low hurdles. There are some real fine freshmen coming up and the sophomore group is also strong, so the frosh-soph squad should be real tough this year."

Lost to graduation are Di-

one Rathbone, middle distances, Ron Richter, dashes, Dave White, pole vault, Rick Fowles, dashes and relay team and Rich Fitch, low hurdles.

Returning are seniors Brad Dubas, high hurdles, and Lon Olsen, weights; juniors Tom Morgan, dashes, Vince Casella, shot put, Jim Effinger, half mile, Jim Edwards, high jump and broad jump, Tom Tantlinger, middle distance, and Bruce Daigard in the hurdles.

Also back this year will be sophomore Bob Schenk in the high jump. Bob competed in the conference meet last

## Paul Takes Lead In Men's Singles

This may well be the biggest year, entry-wise, in the history of the Men's Singles Tournament at the Antioch Bowl.

Entries have been heavy in the big tournament since opening day, March 8. Weekday entries in the first week of the tournament were heavier than usual.

Many well-known bowlers from neighboring cities, as well as local bowlers, pounded the pins this past weekend. Ron Paul, a youngster from Morton Grove, went in to first place in the tournament with a 728 on games of 220-184-262—with a 60-pin

handicap—Paul Hojduk of Cicero, who held first place last week with a 715, moved down to second place.

Don Slama, a Chicago Classic league bowler, made a determined bid for the first-place spot Sunday night,

starting with games of 243 and 248. Lanes 11 and 12 slowed him down to a 215 count for his third game. With a two pin handicap, his 708 total put him in third place.

Next week-end, the final week-end of the tournament, many well-known bowlers are booked to try their skill on the lanes. Al Jordan, Chicago Classic league bowler, and his teammates start at 1 p.m. Saturday.

Saturday at 2:30 p.m. Otto Niehaus and the Old Fitzgerald team will be bowling. At 7:30 p.m. Saturday Dick Petersen, manager of the Lake Forest Lanes, will be at the Antioch Bowl with the cream of the Lake Forest bowlers.

Jack Schaul of the Morton Grove Lanes and the Morton Grove All-Stars start off Sunday's activities at 12:20 p.m.; at 2:40 p.m., Chuck Wagner, captain, and the famous Hamm's Beer team start their first round.

At 5:40 p.m., another Classic League team, Oak Park Savings, will try their luck. Herman Simonis, last year's tournament winner, bowls at 6 p.m. The Huspen brothers will bowl with Simonis.

Local bowler Neil Carney, last year's inner of second place, bowls at 7:40 p.m., on a squad with Whitey Cox and Wally DeThorne, both well-known to local bowlers. The last squad in this year's tournament will go on the lanes at 1 a.m. next Monday morning, March 23. First prize in the tournament is \$500.00, with one out of every ten entries making the prize list.

## Tavern Owners Have Bowling Tournament

Tavern owners and beverage distributors who have long been the most active bowling team sponsors will have their own major tournament for the first time at Harbor Lanes, Winthrop Harbor, Ill., between April 18 and June 21.

A prize pot of \$10,000 is assured if 400 teams enter the tournament, with \$1,500 for first place, \$1,000 for second place and \$750 for third place, according to Ray Kirschoffer, owner of Harbor Lanes.

In addition to the regular handicap team prizes, there will be special scratch prizes for teams and individuals, Kirschoffer said.

Deadline for organized team entries for the ABC and WIBC sanctioned tournament is May 15 and the prize fee of \$25 must accompany the entry to insure a reservation, according to Lonnie Lund, tournament director.

Under the tournament rules all contestants must be members of the ABC or WIBC and must bowl on a tavern or beverage sponsored team.

The tournament consists of three games on a pair of lanes, 2/3 handicap, 200 scratch, 120 limit per bowler. Entries will be limited to regularly organized teams at least 3 members of which

## Pogose Third High Scorer At Dubuque

Dennis Pogose, Antioch, a graduate of Antioch Township High School, was third from the top in individual scoring at the end of the basketball season at Dubuque University at Dubuque, Iowa.

Frank Ulrich of Homewood, Ill., was top scorer on the squad with a 282-point total. Ed Sudlow of Madison, Ind., was second with 223 points.

Pogose boosted his average to 9.5 points a game, compared to last year's 7.0 average. He scored 218 points this season, playing in 22 games.

Pogose is a sophomore, playing the center position. His record for the year includes 204 field goals attempted and 100 made; 29 free throws attempted and 18 made. He handled 168 rebounds.

## Bowling

### Bi-State League

Thursday, March 12  
Colonial Home cracked high series of 2759, good for a two game win over Beau-

Vue Products. Pace setters were Ed Slavik 618, and Earl Barnes 552. For the losers Don Ward led the way with 603 and C. Paulson 575.

Dalgard's I.G.A. maintains their 3-male lead by beating Taps-Chops-Cherries 2 games. Roy Hartman rapped 598 and Larry Dewar 555. Jim Graham paced the losers with 557.

Haydon Homes took a pair from Rudolph Turkeys. Mike Oga smashed a big 588 for Haydon.

Ed Drinkwine's big 603 leads Slind Inn to a 2 game victory over Gibbs & Jensen. (W. T. H. (week 540))

The first four contenders are:

Dalgard's IGA	51	30
Taps-Chops-Cher.	48	33
Rudolph Turkeys	46½	34½
Colonial Home	45½	35½

### Wednesday Business Men

March 11  
High team series: Ralston Enterprises, 916-862-915 — 2693.

High scorers: G. Schoenleber, 175-183-221—579. Ralston Enterprises 2; Dick's Service 1. Antioch News 2; Strom Bros. 1. Van Patten's 2; Ray's Taxidermy 1. Lasco's Sanitary Service 2; Bill's Texaco 1. George's Bait & Tackle 3; Weber Duck Farm 0. Decker's Tavern 2; Log Cabin Inn 1.

### "The Pinspotters"

Friday, March 13  
High team series: Charlie's Channel Inn: 739-842-701—2372.

High scorers: Marcia Palmer 178-214-187—579; Helen Barnes, 193-160-195—548; Curly Wertz 194-181-150—525; Jane Reed 158-193-158—509.

Reeves Drug Store 2; Barnstable Dept. Store 1. Volo Bait Shop 2; Venetian Village Bowlerets 1. Charlie's Channel Inn 2; J. Teresi Chevys-Olds 1. Antioch IGA Food-liner 2; Leo Fox Trucking 1. Fox Lake Meister Brau 2; Franklen Drugs 1. Willow Park 3; One Hour Martinizing 0.

### Ten Pin Topplers

Tuesday, March 10  
High team series: Lakes Tile Co., 751-755-776—2282.

## Baseball Prospects Are Much Brighter This Year

Antioch's baseball prospects look a little brighter this year, according to coach Bruce Stahmer. "With nine boys returning from last year's squad, I look for us to be an improved ball club this year," Stahmer said.

"Our pitching will be stronger with Norbert Wolter, Jim Wojczynski and Bob Olschlager back again. Bob Lepczewski should be a big help in the pitching department too."

Other boys returning are John Horton and Roger Eberman in the outfield, Jeff Gates and Dick Davis in the infield and Jim Barnstable behind the plate. Sopho-

mores that Stahmer expects to get some help from are Jesse Inman, Wally Henning, Terry Schneider, Bernie Smith and Wally Pleviak in the infield.

Outfielders are Mike McConahay and Wayne Sanders and catchers Mike Davis and Carl Meade. Rich Mason will also bolster the pitching staff.

"We should be strong in the pitching staff and our infield will be fairly good," Stahmer said. "Our weakness could be catching," he added. "Hitting is still a question mark and we won't know until we get a chance to start working outside."

### Thursday Business Men

## ANTIOCH TOWNSHIP LIBRARY

## Basketball At Antioch Grade School Gym

The big game at the Antioch Grade School gym on Friday, March 20, will mark the finale of the basketball season.

Starting at 7:30 p.m., Oakland's sixth grade will play Antioch's sixth grade. The second game will be a contest of youth against experience, as Antioch's well-balanced eighth grade pits their skill and speed against the talents of an exceptionally good faculty team.

Between games, the high school swing chair, under the direction of Miss Tronehuk, will perform.

Tickets are available from any sixth or eighth grader or at the door.

Bait Shop 0. Cermak Real Estate 2; Miller Insurance 1. Joe & Helen's 2; Blumen-schein Excavating 1. Kennedy Pro Shop 2; Fargo Oil 1.

## Inside Antioch High

By Marilyn Gras

With the help of a referee  
who noticed only the fouls  
committed by the sons and a  
scorekeeper who couldn't  
add very well, the Fresh-  
men's fathers defeated their  
sons in the first of two bas-  
ketball games at the high  
school last Saturday night.  
The second game, a slightly  
more serious one, pitted the  
A Club against the Faculty,  
and for the second year in a  
row the faculty came out on  
top. Although the A Club  
led during most of the game,  
the final score showed the  
teachers one point ahead.

Antioch band and choir  
students came home from a  
rather disappointing State  
Solo and Ensemble Contest  
last Saturday with only six  
first place ratings. Instru-  
mental soloists who won su-  
perior scores were Joe Hub-  
ber on cornet, Gay Bruhn on  
French horn, and John West-  
hoff on the bass clarinet.  
The Woodwind Quintet com-  
posed of Kerry Rhoades, Joe  
Shirk, Sue Lindblad, Virginia  
Clark and Carol DeSomer  
were other winners. Lloyd Ped-  
ersen, the only choir member  
to receive a superior rating,  
sang a boy's low voice solo  
"Bells of the Sea."

Basketball and wrestling  
awards were given out Wed-  
nesday after school in the  
cafeteria. Also, sophomore,  
junior & senior athletes who  
completed a spring sport  
last year or a fall or winter  
one this term will attend the  
24th Annual Lions Club Ath-  
letic Banquet next Monday.  
The banquet will begin at 7  
p.m. in the high school cafete-  
ria.

Although the track and  
baseball season are not offi-  
cially underway, practice for  
these sports began Monday.  
Baseball coaches are Mr.  
Bruce Stahmer, and Mr.  
William Seemann; track  
coaches are Mr. Roger An-  
drews and Mr. Duane Foster;  
and Mr. Gary Allen is the  
golf coach this spring.

### Convention Is Scheduled

About 65 local delegates  
are expected to attend the  
convention of Jehovah Wit-  
nesses to be held in Water-  
town, Wis., from April 17-  
19.

Highlight of the conven-  
tion will be the Bible lecture  
on Sunday, April 19, "Fac-  
ing up to the Urgency of  
Our Times."

High prices hit us all, but  
there is one sure way to get  
more for your money than  
you expect—stand on a pen-  
ny scale.

## Good Program At Workshop, Says Kufalk

The 1964 Postmasters  
Training School held in  
Springfield, Ill., on March 8-  
9 and 10, 1964, was an out-  
standing management train-  
ing school for Illinois Post-  
masters, said Postmaster  
Roy J. Kufalk of Antioch, on  
his return from Springfield,  
where he attended the three  
day school. "Smaller classes,  
longer class periods, the  
workshop method instead of  
lectures, all contributed to  
making the school worth-  
while," said Postmaster Ku-  
falk.

The training school for  
postmasters is part of Post-

master General John A. Gro-  
noski's program to insure  
that the postmasters are  
trained in the latest methods  
of management and are given  
an opportunity to receive  
answers first hand from Re-  
gional and Departmental Post  
Office Officials on complex  
problems inherent in operat-  
ing an efficient post office in  
the 20th Century.

Some of the major topics  
covered in three hour work-  
shop sessions, Postmaster  
Kufalk stated were:

1. Organization and Inter-  
nal Operation of a Post Office  
—which included scheduling  
and organization of man-  
power, responsibilities of su-  
pervisors, importance of  
proper assignments and func-  
tions.
2. Cost Control and An-  
alysis.
3. General Accounting

Procedures.  
4. Principles of Manage-  
ment as Applied to Post Of-  
fice Operations.  
5. The Postmaster's Pub-  
lic Relations and Informa-  
tion Program.  
Ralph W. Nicholson spoke  
at the banquet held Monday  
evening, March 9. In his  
address, Nicholson laid heavy  
stress on the importance of  
courtesy to the public by all  
employees and the need for  
postmasters and others re-  
sponsible for handling patron  
complaints to give prompt  
and immediate attention to  
delayed mail complaints tak-  
ing the necessary steps for  
corrective action.

"We hear so many fake ex-  
cuses nowadays that it is dif-  
ficult to recognize the honest  
ones."

### COURTESY

How sweet and gracious,  
even in common speech,  
Is that fine sense which  
men call courtesy?  
Wholesome as air and genial  
as the light,  
Welcome in every clime as  
breath of flowers,  
It transmutes allens into  
trusting friends.

## Hardy Campers Brave Winter Cold

The Canvas Toppers Camping Club had 10 hardy families at their winter camp-out. Some families came in for Saturday evening pot-luck supper, and there were 12 families from surrounding chapters, who came to camp, also.

Sunday, March 22 will be the monthly meeting, at the Hawthorn School, near Mundelein, at 2:00 p.m. The "Teens" will also have their monthly meeting.

There will be a swap-auction of camping equipment. Maybe there is something you do not use, but someone else might put into use.

### "DARE TO BE MORAL!"

Listeners will learn that a person's deepest desires and yearnings can only be fulfilled by waking up to his spiritual selfhood, and bringing to light all the vital, attractive qualities of God which this includes—the warmth of divine Love, the intelligence of divine Mind, the integrity of eternal Truth.

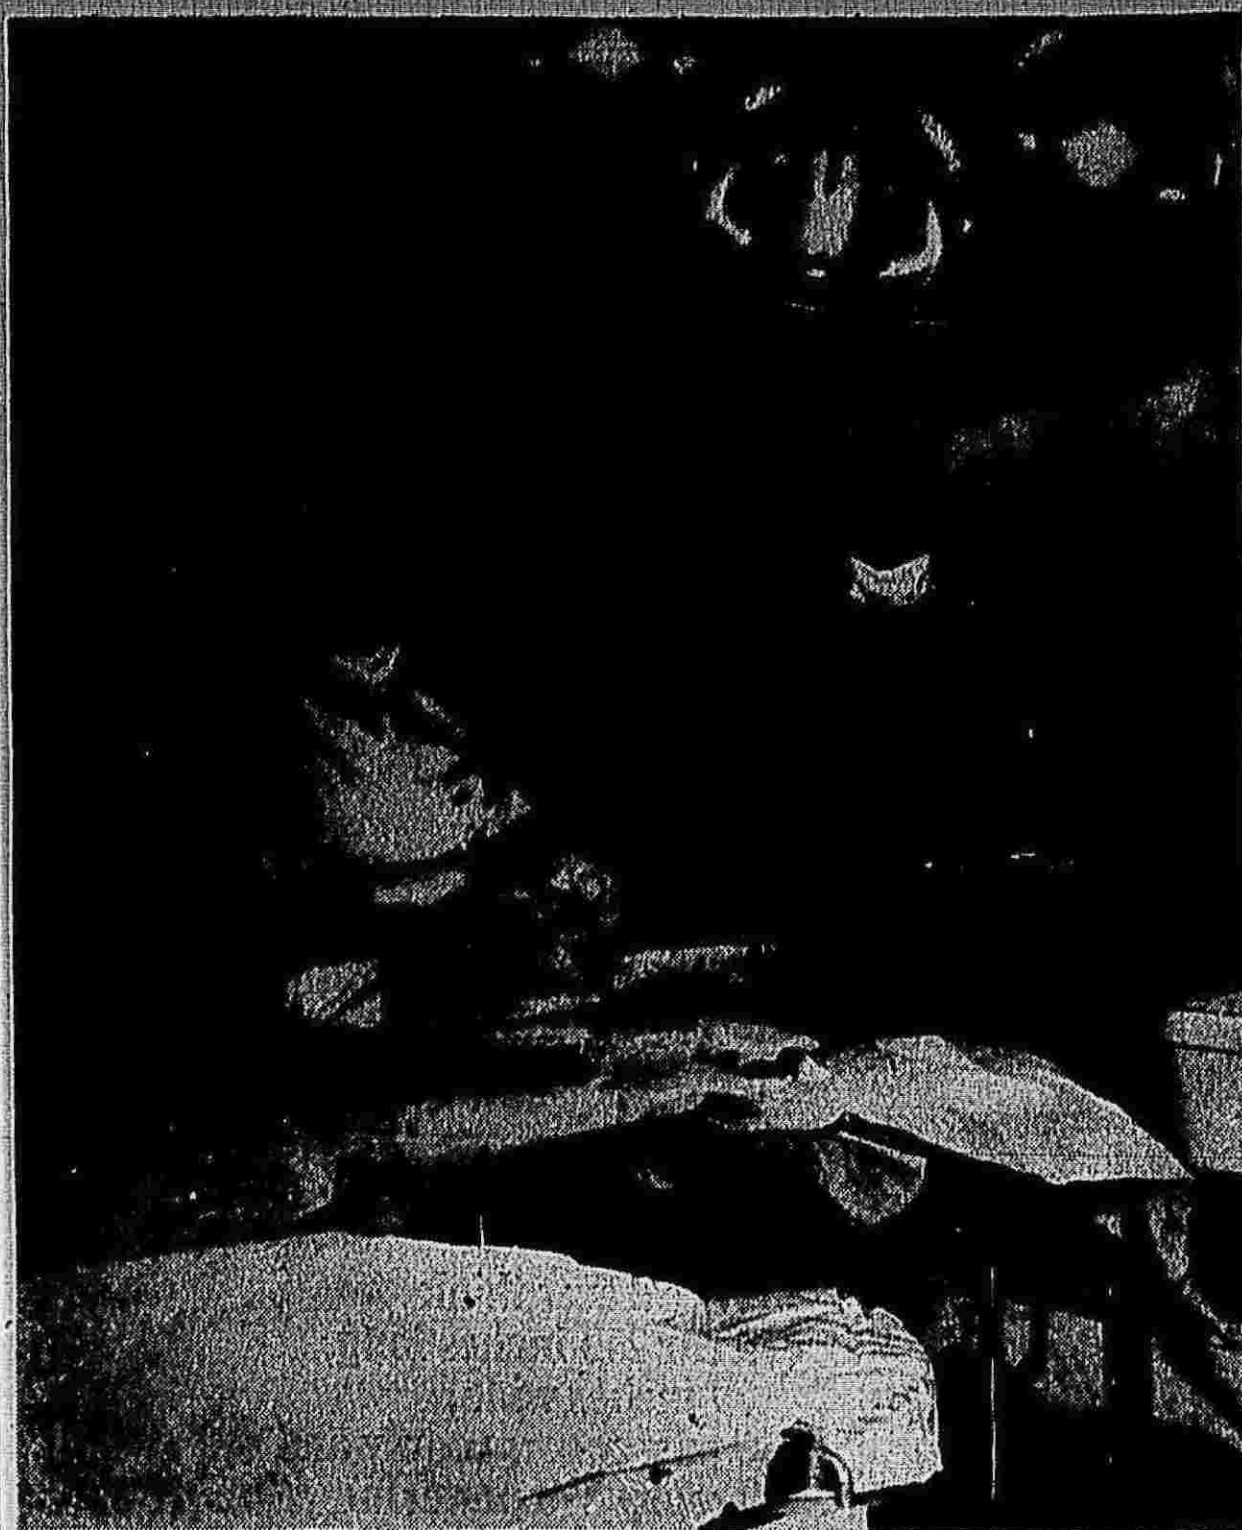

## SERVICE

In addition to dispensing essential drugs to your community, your druggist also provides another service by stocking many important items of a non-pharmaceutical nature.

NURSES WEEK has been proclaimed as March 15 through 18 in Illinois by Governor Otto Kerner. Mrs. A. Neyrinck, Director of Nurses at Zion Benton Hospital, assists Doris Hansen in setting up the delivery room. Mrs. Neyrinck lives at 249 Bridgewood, Antioch. She says, "Our chief goal is to achieve the best and most courteous service."

## Red Cross Provides Many Services

Lake County Red Cross officials, now opening their 1964 campaign for \$130,336, are making final plans for the best organized campaign the county has seen in many years.

George Render, general chairman of the campaign for this year, set the record straight on Lake County Red Cross activities. First, the Lake County Chapter, like the rest of the American Red Cross, was chartered by the Congress of the United States to provide services to members of the armed forces, veterans, and their families, and to relieve victims of disasters both natural and man-made, he said.

Render explained that the many other Red Cross services offered are "a bonus" to Lake County residents. These include First Aid Training, Water Safety Training, Youth in Red Cross, Motor Service, Production Service, and Canteen Service. Maurice Loven, Beach Grove Road, is Antioch chair-

## Rambler Has New Manager in Area

DETROIT — Appointment of Otto Kindshoven as manager of the Chicago Zone of American Motors has been announced by Thomas A. Coupe, vice-president of automotive sales.

The Chicago Zone serves Rambler dealers in northern Illinois, northern Indiana and eastern Iowa.

Kindshoven formerly was zone manager in Newark. Kindshoven joined American Motors in 1960 on special assignment in sales. He was named assistant manager of the New York Zone in April 1961, and was promoted to Newark Zone manager seven months later.

The dictionary is the only place where success comes before work.

It is not who is right, but what is right, that is important.

man of the Red Cross Fund-raising campaign.

## Help Given To Cancer Cases

"Although we have attempted to publicize our services, some people in our county are still not aware of what the Lake County Unit of the American Cancer Society can do for them," Dr. A. H. Sommers, chairman of the Executive committee announced today.

"Lake County Unit gives many varied services to cancer patients in the county and these services are provided by volunteers. 280 volunteers made 34,771 dressings which were provided to 95 patients in the last year. Three volunteers aided 68 patients with 110 pieces of Loan Closet equipment. This equipment includes such items as hospital beds and other necessary sick room equipment. Transportation to and from hospitals was given to 17 patients by 55 volunteers for a total of 444 one-way trips. Community Nursing Service was provided to 43 patients, with 59 of 264 calls paid by the local American Cancer Society.

"Any patient in Lake County desiring any of these services is welcome to call the Lake County Unit office, 226 N. Genesee Street, Waukegan," said Dr. Sommers.

Volunteers who wish to assist in making dressings or providing transportation to hospitals can call Mrs. C. F. Spierling, Service chairman for Antioch Homemakers Dressing Unit. Those not interested in helping in this way can also help by provid-

## Warning to Kite Flyers

"String along with Safety," is a timely suggestion offered to local kite flyers and their parents by Norman E. Brown, District Superintendent of Public Service Company.

The utility official's guidelines for hazard-free kite flying includes:

—Use only ordinary kite string, never wire or metallic cord, and do not attach metal or tinse to any part of the kite.

—Find an open launching space—avoid areas where the kite is likely to become snagged in wires or trees.

—Never fly a kite during a storm or when the string is wet.

—Abandon the kite rather than risk injury by climbing a pole or entering any danger area to retrieve it.

## Course on Rural Fire Hazards

URBANA, Ill.—James Herman, 451 Orchard St., Antioch, is attending a five-day school for rural fire insurance inspectors March 9-13 at the University of Illinois.

Rural and farm fire hazards and problems are studied during the course. Eighty-five inspectors are attending.

Herman is a representative of the Millburn Mutual Insurance Company, Millburn.

## Grant High News Notes

The Grant High School G-Club will sponsor a colorful program of hilarious basketball on March 21. The 8:00 p.m. game will feature the world famous Texas Cowgirls' basketball team playing a local team made up of grade and high school administrators.

The girls play only men's teams under men's rules and their antics and skill in the pre-game warmup as well as during the actual game assure an evening of wholesome entertainment.

Ticket prices at the door will be \$1.25 and 75c but advance tickets may be obtained from G-Club members at \$1.00 and 50c.

On March 6, Grant High School mathematics students took part in the Annual Mathematics examination sponsored jointly by the Mathematical Association of America and the Society of Actuaries.

The three high scoring students at Grant were: Phillip Rosol, followed by Carol Longley and Fredrick Gerber, in that order. The best paper will be entered in the contest on a national level.

Grant High school representatives to Boys State and Girls State have been selected.

Bill Costello and James Vokac will represent Grant at Boys State and Michael Tate will be the alternate. Candice Wilson is the Girls State representative and Gall Salava will serve as alternate.

THE ANTIOCH NEWS  
THURSDAY, MARCH 19, 1964

Six school days a week, October to June, 70,000 elementary school children in Cyprus are served milk and a roll, provided by Americans through contributions to the CARE Food Crusade, Chicago, Ill. 00603.

## BIG INVESTMENT

Your car represents a big investment... one that you want to protect wisely. But just as important, you want to make sure that you have protection for yourself in the event of a damage suit arising out of an auto accident. We'll be glad to review your complete needs and present a plan that can give you realistic protection at the lowest possible cost.

### Elected Officers of New Association

The second meeting of the newly organized Speech Therapist Association of Lake County was held Friday, March 8, at the Gurnee Grammar school. Virginia Evenstad, speech therapist with the Gurnee School System, was hostess. Guest speaker for the afternoon was Dr. J. Vickers Brown, M.D., plastic surgeon at Great Lakes Naval Hospital.

The newly elected officers of the association are: Dorothy Clark, President; Virginia Evenstad, President-Elect; Carol Bonusol, Secretary-Treasurer.

Committee chairmen are: Phyllis Gross, Membership; Arlene Matkin, Standards; Linda Graf, Nominating; Dorothy Hanny, Publicity.

The next meeting of the association will be held April 27 in Lake Villa. Members will hear Dr. Van Nuy, M.D., Otolaryngologist. Anyone interested in joining should contact Phyllis Gross, membership chairman.

### Science Fair At Lake Villa On March 20

The Fifth Annual Lake Villa Community Consolidated School Science Fair will be held at the gymnasium on Friday, March 20, at 7:00 p.m.

For the past four years the science department of the Lake Villa School has sponsored a science fair in association with the Illinois Junior Academy of Science. Many students have won first prizes at the local fair and have gone on to win in competition with leading junior scientists from all over Illinois in the State Junior Academy of Science Fair held at Champaign.

At the 1983 local fair there were 22 students selected for having outstanding projects. These students entered their projects at the Lake Forest District Fair. Four of these students won first prizes and entered their projects in the State Science Fair at Champaign. The students had the following projects:

Edward Darbro—Coal  
Gary Hunt—Some Basic Weather Instruments and How they Function  
Janet Meyer—The Study of Blood

William Shastal—Repelling and Attracting of Fish  
Gary Hunt and William Shastal each won a first prize at state competition while Edward Darbro and Janet Meyer each won a second place.

Mr. Thorpe and Mr. Ercolin, science teachers, state that this was an outstanding accomplishment for these students and it speaks well for the Lake Villa School as well.

It is expected that the 1984 Science Fair will measure up favorably with those of past years. Mr. Thorpe and Mr. Ercolin say that over 100 projects will be on display and a large crowd is expected to attend.

### THE ANTIOCH NEWS-10 THURSDAY, MARCH 19, 1984

#### Channel Lake News

By Louise Gutowski 395-1317

The Channel Lake basketball team took second place in the Lakes Basketball Tournament, played last Saturday at Grant High School. The team lost the little game to Johnsburg in a double overtime thriller by a score of 40 to 38. The two teams played a magnificent game, which according to the announcer, will go down in the school's history as one of the best games played in the tourney. The teams played a heads-up game that had the fans cheering until their voices gave out.

In addition to winning the second place trophy for the tournament, the boys were presented the first place trophy for the conference, Big Hollow School won third place and Harrison won fourth in the tourney.

The Channel Lake team along with their coach, Howard Scott, deserve a big Congratulations!

Janet Bjork, 5 month old daughter of Mr. and Mrs. Chick Bjork, was a patient at Victory Memorial Hospital with pneumonia. Little Janet returned home on March 18, which was her sister, Judy's sixth birthday. Officers were installed at the last meeting of the Channel Lake Community Club. They are Gladys Zibus, president; Richard Irman, vice-president; Helen Anderson, secretary, and Diane Irman, treasurer.

The club is busy putting the finishing touches on their St. Patrick dance, to be held Saturday at the American Legion Home in Antioch. The music will be supplied by the Rhythm Kings and the dance will start at 8:30 p.m. Refreshments will be available and tickets can be purchased from members or at the door.

Come out and support the Club, as the proceeds from the dance go toward sponsoring the local Scout groups and helps needy families in the community.

Save your rummage! The Channel Lake PTA is having a Rummage and Bake Sale in the school gym Saturday, April 4, and needs donations. If you have a donation or would like to bake your favorite recipe for the sale please call Mrs. Dorothy Enzenbacher, 395-1883.

Mr. and Mrs. Richard Swiderok of Grapevine Ave., are the proud parents of their seventh child, a son, born at Victory Memorial Hospital on March 19. The 6 lb. 10 oz. boy has been named Christopher Thomas and boasts two front teeth. Little Chris has three sisters and three brothers eager to help care for him.

The Channel Lake Girl Scouts toured the Antioch Post Office last Saturday to earn their citizenship badges. The girls were accompanied by their leaders, Mrs. Richard Irman and Mrs. John Bierman.

Who'd ever think a car 213 inches long, 79 inches wide, 6 passengers roomy and Trophy V-8 powerful could cost so little?

#### Pontiac people.

You'll never guess what else Pontiac people get for their money in Catalinas. Pontiac styling? Well, obviously. Curve-uncurving Wide-Track? Of course. A Trophy V-8 that thrives on regular gas, if they prefer? No charge. Lots more that could cost extra, but doesn't? Sure, electric wipers and dual visors and foam-cushioned front seats. If you drove a Catalina, you'd feel like a Pontiac person. Smug.

#### Wide-Track Pontiac

See your authorized Pontiac dealer for a wide choice of Wide-Tracks and good used cars, too.

## A message to men who work in air-conditioned comfort

(and wives who'd like to)

### You can have Whole-House Electric Air Conditioning in the average 6-room home for as little as 50¢ a day.

(This includes maintenance as well as operating costs.)

When hot, muggy weather makes you almost hate to leave your air-conditioned office for home, think how your wife feels. She's had to put up with this discomfort all day.

Nowadays there's something you can do about it. It's called Whole-House Electric Air Conditioning, and the cost is a lot lower than most people guess.

**Public Service Company**

ELECTRICITY IS SIMPLICITY

For instance, to have it installed in the average 6-room home usually costs from about \$800 to \$900.

Operating costs will vary, but 50¢ a day for operation and maintenance over a period of 120 days is close to the average.

Electric air conditioning is simple, doesn't require water. It adds to the desirability and market value of your home. You get a lot besides cooling. Air throughout the house is crisp, free of excess humidity. A filter in the system removes dust, and up to 98% of the pollen, from the air.

To find out exactly what Whole-House Electric Air Conditioning would cost in your home, get in touch with the dealer, distributor, or department store nearest you. The contractor you choose will be glad to give you a free estimate and financing is easy to arrange.

## Lindenhurst News

By Mrs. Bernice Barreau

Honored at Tea

Mrs. Minnie Hart was one of three ladies honored at a tea last Thursday afternoon, by the Bell Telephone company in Waukegan. Mrs. Hart, who resides at 2312 E. Briar Lane, has been with the telephone company 40 years. Six of those at the Waukegan office and 34 at the Rogers Park office.

Howard Schewe, traffic manager, presented her with a bell charm, with a diamond. (She has three other bell diamond charms that she wears on a bracelet.) Mrs. Hart and Mrs. Pauline Brown, a 30-year employee, were presented pink tea rose corsages. Their supervisor, Miss Irene Kern, a 40-year employee, was given an orchid corsage.

Mrs. Marie DeCarlo of Mundoloin, Mrs. Helen Kessler of Antioch and Mrs. Kay Kasting of Lake Villa were Mrs. Hart's guests. Mrs. Frances Barnstable, who also works for the company, came in during the afternoon. Several executives from Chicago and Elgin attended.

Need Pocket Books  
Mrs. Kay Kasting would appreciate receiving pocket books for the men at Downey Hospital to read. Don't worry if they are suitable or not. The Hospital censors them.

Several of the men patients at Downey surprised the VFW ladies with a party when they went there recently. The party was in appreciation for all the ladies have done for them.

St. Mark Lutheran Church  
There will be a reception for new members Sunday morning following the 10:30 worship hour. An anniversary cake given by Mr. and Mrs. William Kaub and the John Sloves in recognition of the Kaubs' wedding anniversary at the time of the membership reception, will be served.

If you would like to share your Easter lily with the other members of the church, will you deliver it to the church. Easter Saturday? They may be picked up after the 10:30 worship service Easter Sunday.

Prince of Peace Church  
A dispensation from fast has been granted by Cardinal Meyer on the feast of St. Joseph March 19. Meat may be eaten at all meals that day.

Lenten services are held at 8:00 p.m. on Wednesday evening. Stations of the cross and Benediction at 8 p.m. on Friday. Morning Mass is at 7 a.m. Saturday, and holidays, days, 8 a.m.

Going Away Party  
Friday evening the "Night-Owls" had a party for Mel Uebele, who is moving away from Lindenhurst this weekend. The party was held at Dolores Povillaitis' home on Fairfield.

Receives Special Award  
Stanley Sutherland received a special award from Bausch & Lomb at an award presentation at Antioch High School last Thursday evening. He received a certificate and a large medal.

Boy Scout Treat  
There was a misunderstanding on who was treating who to a wienie roast last Thursday evening. The Boy Scout Troop No. 84 were the hosts to the Lindenhurst Men's Club, their sponsors. About 20 Boy Scouts and five adults attended.

The boys collected \$14.00 when they returned bottles for deposits, that they had collected Saturday. They thank everyone for their donations. The money will be used to purchase equipment.

Enlists in Army  
Tom Kaufmann, son of Mr. and Mrs. Tom Kaufmann, Sr., 2503 East Highland, is getting his basic training at Fort Knox, Kentucky. He enlisted for three years. He arrived at camp Feb. 28.

After he finishes his basic training, he will go to Fort Bliss, Texas, where he will go to electronics school.

Tom, who is 20, had attended Antioch High School. Hospital Patient

Ronald Kaufmann, 2506 E. Highland, was a patient at St. Therese Hospital for eight days. He was being treated for an infection on both hands. Ronald is a first year student at Antioch High School.

Women's Club Report  
Thirty members attended the Women's Club meeting Thursday evening. The Girl Scouts baked the refresh-

THE ANTIOCH NEWS 11  
THURSDAY, MARCH 19, 1964

## NI-Gas Warns Of Impostors

Don't let strangers in your home without insisting upon adequate identification, warns Northern Illinois Gas Company. The utility occasionally receives reports from customers that men have been posing as meter readers and appliance servicemen.

NI-Gas reminds residents in this area that all utility employees carry plastic identification cards with the employee's photo and the official company seal. All regular meter readers for NI-Gas also wear uniforms with gas company insignia.

If any stranger requests entry without having proper identification, the gas company urges homeowners to call the local police immediately.

## Drop in Profits Of State Farm

Investment income of \$25,900,777 offset a \$12,057,121 loss on insurance operations to produce 1963 profits of \$13,424,746 for State Farm Mutual, the company reported today.

The net, after \$7,093,196 in dividends to policyholders, was \$6,331,550. The year's figures are well below 1962's profit on all operations of \$36,360,980 and a 1962 net (after policyholder dividends and taxes) of \$24,759,972. The company added \$6,019,493 to policyholders' surplus for a year-end total of \$280,437,528. In 1962, surplus gain was \$21,203,575.

George J. Mazzuca, State Farm representative at Rte. 50 and Grass Lake Rd. in Antioch, said the world's largest auto insurer had 1963 earned premiums and membership fees of \$639,138,335—a record—14.2% above 1962's \$559,368,025. Assets in 1963 rose 10.4%, from \$787,056,201 to \$868,914,355.

Edward B. Rust, president, said the loss on 1963 insurance operations was produced by an all-time high in claims. State Farm settled 2,957,785 claims during 1963, up 8.8% from 2,716,559 in 1962. The dollar value of those claims soared 15.8%, from \$313,816,597 to \$363,707,124.

The company has increased rates in 30 states to offset the insurance operations losses and plans to file for further increase during 1964.

A Lincoln Story  
One day Abraham Lincoln was walking down the street with his two small sons, both of whom were crying lustily. A neighbor stopped and inquired, "What's the matter with the boys?"

"Just the same as what's the matter with the whole world," replied Lincoln. "I've got three walnuts and each wants two."

ments that the leaders served.

Erleene Pearce is chairman of the Fashion Show planned for the latter part of August. On the committee with her are Rose Rozhon and Annabelle Leavy.

Mrs. Esther Sokup announced that Troop 126 was re-organized, and asked if the Women's Club (sponsors of the Girl Scouts) would purchase a uniform for a new leader. They voted to purchase one for next season.

Vicky Olzewski and Peggy Karry were the March birthday ladies.

Arthur Mack, executive secretary of the North Lake County Branch of Family Service, was the guest speaker.

New Resident Is  
New Brownie Leader  
Mrs. Gilbert (Irene) Martinez of Maplewood Court is the new Brownie leader for Troop 126. Mrs. Paul Wright reorganized the troop, since this was Mrs. Claffy's troop.

Mrs. Hannah Matthiessen is co-leader. Assistant leaders are Mrs. R. E. Lewis and Mrs. Shirley Lewis. Committee chairman is Mrs. Zora Woolky. Committee members are Nora Gibbs, Peggy Karry, Mary Stangel and Charlotte Poston.

There are 21 girls in the troop. They meet at the Hooper School every Thursday from 2:45 to 4:30 p.m. They will be having an investiture some time in April.

On Yacht  
Newspapers are like women—they both have forms; back numbers are not in demand; they always have the last word; they are all worth looking over; they have a good deal of influence; you can't believe all they say; there's small demand for the boldface type; and every man should have one of his own and not borrow his neighbors.
